Any film may also have a sequel, which portrays events following those in the film. Bride of Frankenstein is an early example. When there are more films than one with the same characters, story arcs, or subject themes, these movies become a series, such as the James Bond series. And, existing outside a specific story timeline usually, does not exclude a film from being part of a series. A film that portrays events occurring earlier in a timeline with those in another film, but is released after that film, is sometimes called a prequel, an example being Butch and Sundance: The Early Days.

Box office : In early March 2020, it was predicted that the global box office could lose US billion as a result of the pandemic. Countries that are pandemic hot-spots have closed or restricted cinemas and movie theaters, negatively affecting film revenue. Attendance has also been lower in other regions. Following the pandemic in mainland China, 70,000 cinemas were closed in January 2020. In the first two months of 2020, Chinas box office was down to US.9 million, compared to US.148 billion in the first two months of 2020.2 Later, as a result of the pandemic in Italy, on March 8, 2020, the Italian government ordered all cinemas to be closed, for up to a month. Before the closure, box office tracking estimated a 94% drop for the weekend of March 6–8 compared to the same period the previous year.8 Because of the growing pandemic in France, cinemas are operating at half capacity, leaving strategic seats unavailable to reduce proximity in the screens,9 a move followed days later by the Irish and Northern Irish cinema chain Omniplex Cinemas.10 On March 12, Qatar also closed all cinemas,11 as did the US on March 17, Malaysia and Thailand on March 18,12 the UK on March 20, Australia and New Zealand on March 22, and Singapore on March 27.13

After a state of emergency was declared in Tokyo and six other prefectures in Japan on April 7,14 over 220 cinemas were closed.151617
